Bill Cruickshank, manager, likes to show off the kind they produce in the Ringwell Herd at Ringwood, Illinois, owned by James Ewell. There's a good consignment from this herd in this sale.

Why not start a new herd? Why not improve your present herd? This sale provides the right opportunity. Ask anyone who has bought in the "Sale of Satisfied Buyers."

PROUD PRINCE ACHTOI

Reserve champion bull at the 1948 Illinois, Ohio and Indiana State Fairs. His granddam was purchased in the March, 1944, Abingdon Sale.

Everybody's Happy

(Reprinted from the September 25th issue of The Shorthorn World)

There's a little story in connection with the bull Proud Prince Achtoi that should be told, since this youngster appears to be the kind that will remain in the public eye. When Marellbar Farms showed him to the reserve grand championship at the 1948 Illinois State Fair there was a question on the lips of everyone. . . "Where did he come from and how is he bred?" The question was still being asked at the Ohio State Fair when Proud Prince Achtoi repeated his reserve championship performance and again at the Indiana State Fair when he won the same high honor for the third time. Here's the story.

Back in March, 1944, Arnold Bros., Sterling, Illinois, consigned a heifer named Lady Douglas A, a daughter of Imp. Cruggleton Achtoi, to the **ABINGDON SALE**. She was a good heifer as were all of those by this same sire. When Arnold Bros. made the offer to take the heifer back home and breed her to Imp. Cruggleton Proud Prince, the idea appealed to Walter L. Brugman, Walcott, Iowa, and he bought her for \$370.

To the service of Imp. Cruggleton Proud Prince she delivered a very good heifer calf named Lady Douglas B. Mr. Brugman, an admirer of the imported-in-dam bull, Marellbar Impression, decided he wanted Lady Douglas B to have a calf by this young sire and made the proper arrangements with Bill Anderson, West Liberty, Iowa, owner of Marellbar Impression. A bull calf was born to this service on September 3, 1947. One of the members of the Marellbar scouting service, always alert under the careful direction of John Blume, found the bull and Marellbar Farms promptly bought him. He was ready to show at the time because he had the right ancestry and Walter Brugman had taken good care of him.

That's the story. Proud Prince Achtoi was good when he was born, good when Marellbar bought him and he continues to look better each time he appears on the tanbark. The prowess of this youngster seems to bring happiness to a large number of folks, all of whom claim a little of the credit. Arnold Bros. are happy because they bred the dam and the granddam of Proud Prince Achtoi. Hal Longley is happy because the granddam was bought in an Abingdon Sale and he feels that such a purchase will add prestige to the name. . . "The Sale of Satisfied Buyers." Bill Anderson is happy because he owns the sire of the calf. The Marellbar gang are all happy because the bull is winning for them and because his sire came from their herd. Happiest of all, and deserving of most credit, is Walter Brugman who bought the original cow for \$370 at Abingdon, who developed the calf and who still owns the dam and granddam. And the thing that makes him happiest is that the dam, Lady Douglas B, is heavy in calf again to Marellbar Impression.

Each sale at Abingdon contains a good consignment from the strong Millgate Herd owned by George W. Rossetter & Sons. Here are a few of the cows at Millgate Farm.

What is "The Sale of Satisfied Buyers"

It is an auction sale of purebred Scotch Shorthorn cattle that has earned its name honestly.

At the close of the auction sale of purebred Scotch Shorthorns to be held at Abingdon, Illinois, on Friday, October 22d, the forty-second sale under this same management will have been completed. When this sale was established fifteen years ago last March, we gave it the name "**The Sale of Satisfied Buyers.**" We had no right to this name at the time because proof that buyers were going to be satisfied was somewhat lacking.

We have come a long way since the day of our modest beginning and, with convincing figures to back up our claims, we are more proud than ever of the name "**The Sale of Satisfied Buyers.**" Through the 41 auctions held during the fifteen year period, we have sold approximately 2,500 purebred Shorthorns for the staggering total of \$645,000. We are proud indeed of the record. The consignors display their confidence by bringing more and better cattle to each sale. The confidence of buyers is displayed through the continued patronage of old customers and an ever-widening circle of new customers.

No business enterprise can reach complete success except under conditions where each transaction results in a profit for BOTH SELLER and BUYER. The enviable reputation enjoyed by Abingdon Shorthorn Sales may be attributed very largely to the fact that a loyal group of consignors have supplied honest, healthy, well bred cattle and they have been happy to sell them at prices that left buyers a liberal margin for profit.

More than \$645,000! This convincing amount of money now defends the name "**The Sale of Satisfied Buyers!**" We believe the cattle to be offered on October 22d will add further prestige to the name. We invite you to study this catalog and we repeat again. "**You can buy with confidence at Abingdon.**"

HAL LONGLEY,
Sale Manager

Terms and Conditions of Sale

All cattle have been blood tested for Bang's Disease within 30 days of the date of this sale. Nearly all of the consignors to this sale practice calfhood vaccination. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if, after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignor or written from information supplied by the consignors.

A great many of the young females in this sale have been calfhood vaccinated for Bang's Disease.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

MAIL BIDS—Those wishing to buy at this sale who cannot be present may send their bids to the Sale Manager, Hal Longley of The Shorthorn World, Merle Abrams of the Drovers Journal or J. E. Halsey of Wallace's Farmer.

Sunset Goldfinder—A dark roan, 2-year-old son of Brawith Boy of Sunset, out of a dark red Augusta cow by Browndale Flower King. This is positively the last son of Brawith Boy of Sunset that will be offered by us. We had intended to keep him in our herd but we have so many of his half sisters that we thought it better to sell him at Abingdon so he can carry on his great work, just as his old dad did here at Sunset Farms. We have two of his full sisters and can easily say that they are two of the best females we have ever seen. This bull is one of the lowest down, shortest legged bulls you will see in a long time. He has a beautiful head. He was prize winner at the 1948 Illinois State Fair and we want to see him go into a good home where he can really show his breeding ability.

Imp. Marellbar Impression, the \$5,000 sire in the herd of W. C. Anderson & Son. His sons and daughters have consistently topped Abingdon sales. Two more top bulls sired by him are included in this sale. Also, a cow with a red heifer calf at foot by him.

W L Impression 10th—Is a full brother to the sire of the two calves that were sold at foot in the June sale. Those who remember these two calves will agree that they are the right kind to make a record as a sire for any bull. This bull will do equally well as he is perhaps the best bull we have offered up to date sired by Marellbar Impression. You will note his granddam is Superb Augusta, one of the best show cows in history. We have a lot of faith in this bull and recommend him very highly. He could easily put a new top on Abingdon sales. Don't forget that he is a half brother to Proud Prince Achtoi, reserve champion bull at the 1948 Ohio, Illinois and Indiana State Fairs.

"Don't under-estimate the value of cattle in your soil conservation program," says Bill Anderson, "and don't forget that both profit and satisfaction come from the ownership of Shorthorns like these." The Andersons are regular consignors to Abingdon sales.

Bugler's Defender—The answer to your herd bull problem. He is one of the best headed bulls we ever sold, he is thick and deep, short necked, alert eyed and just 100% herd bull material. He has been undefeated to date in the shows this year up to the time this catalog was compiled, his winnings including grand championship at the local Southern Iowa and Missouri fairs. He will not disappoint you.

Bugler's Barrage—Here is one of the good bulls to sell this fall. He is very deep, thick, stands on short legs and has a very masculine head. His breeding is of the best, combining the blood of the great breeding bulls Brawith Boy, Collynie Royal Barrage and Sultan Browndale. Where would you find stronger bloodlines. Anyone needing a bull to head a strong herd should inspect this bull very closely.

The name "Sale Of Satisfied Buyers" has been earned over a period of fourteen years. Forty auctions totaling \$645,000 worth of dependable, profitable Shorthorns defends its reputation. This enviable record has inspired confidence on the part of both buyers and sellers. We feel that the cattle to be offered October 22 will add further prestige to the name. Elcona Prince Eric—The sire of this bull was acquired by Elcona Farms with the purchase of the entire T. Dorsey Jones herd. His sire is the noted Norseman (Imp.), reserve supreme champion at the 1943 Perth show and sale. Will Johnson bought Killearn Norseman 5th for Mr. Jones in the Claude Gallinger sale of May, 1945, where fourteen sons of Norseman averaged \$1,771.00. Secret Ethel, maternal granddam of this calf, was imported by Mr. Jones in October, 1939. She is a member of a famous Marshall family and has been a prolific producer of good calves. When Elcona Farms bought the Raveni herd, she had two daughters, three granddaughters, and a great grandson, all acquired with the purchase.

The above picture of Browndale Prince was taken as a calf. He has made a great record in the Paul Halbersleben herd. Lot 14 is a promising son of this bull.

Western Gift—Another fine compact bull, with plenty of thickness. Be sure to look this bull over the day of the sale.

The H. L. Wernicke Herd is one of the most practical and profitable herds in the country. Wernicke consignments have been a feature of many Illinois consignment sales. Two bulls from this strong herd will be sold in this auction.

A Word About Abingdon Consignors

In this catalog you will find numerous pictures showing cattle in the pastures of Abingdon consignors. They provide conclusive evidence that the cattle in this sale are backed by proper individuality. A study of the pedigrees in this catalog provide equal evidence that these cattle are backed by bloodlines that will insure future usefulness.

Have you ever talked to the men who consign regularly to Abingdon sales? Try it sometime. You'll find that these men are proud to have had a part in building the splendid reputation of this sale. None of them have ever received high prices for their cattle. The prices that have been paid have provided a fair profit for the producer and yet the margin has always been favorable to the buyer. Satisfaction on both sides has been the result and the consignors come back to each sale with better cattle in order that buyers may continue their appreciation of Abingdon as a dependable source of supply.

Ninety-two head will sell on October 22 and these are potentially the best profit-makers that have ever been sold at Abingdon. An especially large number of herd bull prospects will be offered. . . 36 of them backed by the richest ancestry. They are the kind that have the breeding that cannot help but make them grand herd sires. Those who study the catalog will immediately recognize that the entire offering contains the richest possible bloodlines as well as the get of the most famous sires of the day. As in all former Abingdon sales, pedigrees and health charts will be provided promptly and everything will be done to safeguard the name "The Sale of Satisfied Buyers."

We think that you will agree with us after seeing this grand group of individuals that Abingdon offerings get better with each ensuing sale.

The Females In This Sale

Pursuant to our policy of giving buyers what they want at the time they want it, the October 22d Abingdon sale is chuck full of cows with calves at foot and females well along in calf to many of the breed's greatest bulls. This is because we know that a lot of breeders are looking for the kind that will return quick dividends. You will notice, too, that this grand female offering has been rounded out with an excellent selection of open heifers of the strongest possible bloodlines.

Nearly every top ranking midwestern Shorthorn herd has foundation females that were purchased at this sale. Many herds have been founded completely on Abingdon purchases.

Strengthen your herd and increase your capacity to produce the world's greatest breed of cattle by selecting from this excellent offering.

Augustina 17th—One of those good daughters of Bugler's Realm. She has won the summer yearling class consistently at Southern Iowa and Missouri fairs this year. She is a member of one of our strongest breeding families.

Above is shown the twice International grand champion, Divide Sensation. At the right is shown the Perth supreme champion, Imp. Calrossie Prince Peter.

Oakdale productions are good because they represent a blend of the blood of the International grand champions, Divide Sensation, Oakdale Stanmore, Sni-A-Bar Ensign, the Perth supreme champion, Calrossie Prince Peter, and the Highland champion, Brawith Boy.

Rosewood 27th is really and truly a great heifer. She was sired by a son of the Perth champion, Imp. Calrossie Prince Peter and out of one of our best cows. The only heifer that has defeated her at county fairs this year is her own stallmate.

Victoria Maid 2d—A real knock-out of a heifer calf. She hasn't been defeated at the local fairs to date. Any boy or girl looking for the right heifer to enter as a club prospect could win almost anywhere next year with this heifer. Any breeder would prefer to own her than to show against her. Note that she is line bred in the blood of the twice International grand champion Divide Sensation.

Here he is! The 1947 grand champion bull Kelburn Banker Royal. He is owned by two of the consignors to this sale . . . LoMar Farms and Elmcrest Farms. Abingdon buyers are to have the first opportunity to buy his service. Lots 44, 45, and 46 in this sale are in calf to him. What an opportunity!

Elmcrest Flora 5th—This young cow, a daughter of Divide Masterstroke by Duke of Killearn comes from the most prolific family in our herd. She is of good type, short legged and low set. We do not like to see her leave because we have only a few of the daughters of Divide Masterstroke in our herd. The only reason we are selling her is because we promised Hal Longley that we would include a female carrying the service of our great junior herd bull, Imp. Garguston Boxing Day. She is in calf to his service since April 25, 1948 and a wonderful calf may be expected.

Killearn Major, shown above, is the great new \$3,600 Gallinger bred bull that is in service in the herd of W. C. Anderson & Son. We urged Bill Anderson to sell a female carrying his service. Lot 48 is the one.

She sells with a red heifer calf sired by W L Impression and she was rebred on July 13 to Killearn Major, our new Gallinger bred herd bull. A splendid 3-in-1 combination representing two of the best bulls ever in service in our herd. We believe calves by Killearn Major will be very much in demand in time to come. Certainly he is one of the good bulls in service today. This cow will be a good investment for anyone interested in obtaining better Shorthorns.

Calves by the breed's greatest sires are available to Abingdon buyers. Above is shown Edellyn Royal Leader 8th, whose calves have won highest honors at 1948 State Fairs. Two outstanding heifers sired by him are consigned to this sale by Millgate Farms. See Lots 49 and 50.

Violet Maid—The mellow, typy kind with a lot of eye appeal. All three of our heifers are by the good sire Nakomis Knight 2d by Imp. Cruggleton Nakomis. This one sells bred to Kadel Royal Leader 14th, he a son of M F Royal Leader and a three-quarters brother to the 1946 Congress champion bull. If you could see this great young sire at our farm, you would certainly want to own one of the females carrying his service.

Kadel Royal Leader, shown above, was the champion at the Centennial-International Sale. He is a three-quarter brother to Kadel Royal Leader 14th, chief stock bull in the herd of Kent H. Slater.

Elcona Favorite Bess—Murphy Brothers bought the sire of Oakfield Aristocrat in the 1942 Russell sale for the top figure of \$3,400.00. In the Murphy sale of October, 1944, when Elcona Farms bought Oakfield Aristocrat for \$1,600.00, ten red daughters of Klaymor Favorite averaged exactly \$900.00. A half sister of Elcona Favorite Bess sold in the Shore-Acres-Elcona sale of March 1946, for \$1,325.00. The sire of Maxwalton Bess is the famous imported Marshall bred Cruggleton Caesar. This heifer was bred May 31 to Edellyn Royal Leader 22d. Edellyn Royal Leader needs no introduction to Shorthorn breeders. He was purchased at the top price of \$6,500.00 in the 1945 Edellyn sale. He combines the blood of the All-American Favorite, Edellyn Royal Leader, and the head of the New Dynasty, Calrossie Mercury, a cross that has an unequalled record in the sale and show rings. His calves, both male and female, measure up in quality to the standards of his illustrious ancestry.

The names of many well known, old country breeders appear in the pedigree of this imported cow. Since she was acquired by Elcona Farms in 1940, she has been a regular producer of excellent calves. One daughter, retained in the Elcona herd, is the dam of a heifer that went to Sni-A-Bar Farms at the 1944 International for \$1,400.00. Another daughter was sold to the same breeder in the 1946 Shore Acres-Elcona sale for \$1,000.00. Clipper Amelia was bred to Edellyn Royal Leader 22d on January 29th.
